West Texas To Open on Tuesday

Announcements Are Made Regarding Opening of 36th Year of West Texas State

A very definite "back to school" trend is noted by President J. A. Hill of West Texas State College. Prospective students in large numbers have visited the campus each week to discuss enrollment for the 36th long session opening Tuesday, September 18.

"Our faculty is complete, our facilities are good, and our only limitation is housing," Dr. Hill said.

Faculty members will meet at 8 o'clock Monday morning for a breakfast at Cousins Hall and a business meeting will follow.

Registration of sophomores, Upper Classmen, and pupils of the Demonstration School will take place Tuesday, September 18. On the same day, freshmen will be given psychological and English tests to facilitate their guidance through their first year. All freshmen have been asked to report Tuesday. Freshmen will register on the following day. Class assignments will be made Thursday. On Saturday evening, the faculty will give its annual reception to students. Student activities will be organized on September 25.

Two New Piano Teachers

Dr. Hill has announced employment of two new instructors in piano. Miss Mary Matilda Gaume of Wichita, Kansas comes from the Western Michigan College of Education. She has B. M., B. P. S. M., and M. M. degrees. She is experienced in teacher training. Miss Mary Lee Gunstead of Eldorado, Texas, brilliant spring graduate of Texas State College for Women, will teach piano in the high school and elementary grades. She was highly recommended by TSCW as a teacher, and as accompanist for voice, violin, and choir. Miss Pauline Brigham heads the piano section of the Music Department.

Other new faculty members include Mrs. W. R. Goins, business administration; Miss Loula Grace Erdman, English; Miss Katie McCluney, home management; Miss Wilma Herring, home economics teacher-trainer; Fidel Reyes of Amarillo, Spanish; Mrs. Oma Link Rowley of Amarillo, speech; Miss May Simmons, primary education; Mrs. J. B. Speer, primary education. Harold Heard of Amarillo has been employed in the business office. William Brune of Amarillo has been appointed vocational appraiser with the Veterans Administration. He and Mrs. Heard will manage Stafford Hall, dormitory for men.

Miss Tennessee Malone has retired as college librarian but will continue to live in Canyon. The acting librarian will be Miss Linnie Babston, previously assistant librarian.

A large crew of workmen have been making alterations and repairs during the holiday period. Students will be interested in the opening of a Student Union in connection with the College Book Store. This was effected through purchase of a large brick business building west of the campus.

Student government officers and heads of student organizations will arrive shortly to plan their activities.

Office of Judge Is Remodeled

Judge A. H. Hunt used his office as an experiment for the repair job which is proposed for the entire court house. Instead of replastering where the leaks from the old roof have taken off great hunks of plaster, a prepared ceiling was put on the two rooms which the Judge occupies.

The vault in which the text books are stored has not suffered from the leaks in the roof, and will need only a coat of paint to restore this room.

The Commissioners looked over the improvements in the monthly meeting Monday, and will advise regarding other improvements to be made on the building.

AVENT BROTHERS HOME

Donnie Avent, G M 2-c arrived at the home of his parents Saturday on a 23 day leave after having spent another 7 months on sea duty in the European theatre. His wife has been making her home in Canyon since he has been away.

Robert Avent, V-2 student at University of Oklahoma, Norman, arrived at the parental Lavert Avent home Friday night for a seven-day leave.

BROTHERS-IN-LAW TOGETHER

Pvt. Edward Flugel and Pvt. Oscar Podzemny have both landed on Okinawa. Pvt. Fluegel, brother-in-law to Pvt. Podzemny, is in the Field Artillery and Pvt. Podzemny is in the Infantry, Company A.

Harold Slack returned Friday from Wichita, Kansas where he had spent ten days in the home of an uncle.

W. T. High To Open Monday for Local Students

Registration in the Demonstration School will begin Monday afternoon, September 17, for high school students of Canyon who will attend this division of West Texas State College.

Other students, and high school students living outside of Canyon, will register on Tuesday, September 18, according to Prof. F. E. Savage, director of the Demonstration School.

Fees for students living beyond the Canyon Independent School District will be $30 for the elementary grades and $45 in the high school division, for the 9-month term.

"An effort will be made to accommodate all students who desire to enroll, but our facilities are limited and we cannot guarantee that every student applicant can be admitted to the Demonstration School," Prof. Savage commented. "We try to limit classes to about 25 students."

Contracts with Dawn, Daniel and other districts must be fulfilled before other students can be admitted, he added.

Teachers have been employed for all Demonstration School grades. These include: First grade, Miss Mae Simmons; second grade, Mrs. Mary Sligar; third grade, Mrs. Earlene Moreman; fourth grade, Mrs. J. B. Speer; social studies, Miss Jean Moore; language arts, Miss Novella Goodman; mathematics, A. K. Goodman; H. S. science, Miss Adele Barnes; H. S. mathematics, Cecil Briggs; H. S. language and speech, Mrs. Tommie Montfort; H. S. history and government, W. L. Vaughan; H. S. English, Miss Helen White Moore; music in all grades, Miss Ada V. Clark; principal and business and agriculture, Milton Morris. College departments will have charge of band, art, manual training, home economics, and typing.

A full program of activities has been planned for the coming long session of the Demonstration School. Monk Ford is coaching a football team which has been in training most of this month.

Buffs To Open Season Saturday

First Game Will Be Played Saturday Night With Portales College

Looking very much like a starter at end is Loly Johnson of Wheeler, freshman tryout at West Texas State in fall football training. He weighs 191 pounds and is 6 feet one inch tall.

At the other end, Dave Browder of Memphis, Texas, is sharing his time with work at tackle. And Don Leach of Wellington may be a regular starter if he is not drafted.

Tackle prospects include Bob Terry of Cameron, Texas, 210 pounds; John White of Clovis, N. M., 197 pounds; Callas Henderson of Electra Texas, 193 pounds; and John Cubine of McLean, Texas, 215 pounds.

A crack guard is Dwaine Lyons of Olton, 183 pounds, who at present is working with J. D. Lynch of Lindsay, Okla., a very capable 180-pound transfer from Oklahoma A. and M.

A. D. Shaver of Seymour, Texas, looks like a starter at center. He weighs 185 pounds. He will share time with Charles McDonald of Canyon, 170 pounds, and a promising freshman, Bill Wheeler of Borger, 175 pounds.

Assistant Coach W. W. (Windy) Nicklaus has other scrappy line aspirants whose weight and willingness may offset their lack of experience.

First game of the season will bring Eastern New Mexico College of Portales here September 15. Game time will be 8:30 p. m.

Men Accepted to Armed Forces

Gordon Henry Molyneaux was accepted in the army at the induction station in Oklahoma City last week. This was the third time that he had been sent through Selective Service for induction. He had been rejected the first two times.

George Thomas Gregg was transferred to California for induction.

William Frederick Langston and Isham Austin, Jr., passed the physical examinations and will be ready for induction on the next call.

All men who have reached 26 years will now be classified as 4-A, the older group for which the armed forces has no use. New classification cards will be sent to all men who are changed to this classification.

Mrs. Lee Chandler of Sayre, Okla. spent last week with her parents, Mr. and Mrs. W. H. McAtee. Jerry McAtee returned with her to visit with his brother who makes his home there.

Farmers Ask No Office Change

Counter Petition to One Asking That North Door Court House Be Re-opened

Officers of all farm agencies, and many individual farmers of the county presented a counter petition to the Commissioners Court Monday asking that the County Agent's office not be molested. This petition was offered following the one of last month when citizens asked that the north door of the court house be re-opened. This would abolish the meeting place for farm organizations on the first floor of the court house.

Judge A. H. Hunt stated that the court filed this petition with the one received last week for future reference. The court does not consider that action may be taken until after the war has been legally ended, and no action will be taken so long as this is the case. Judge Hunt stated that the County Agent needs the room that was provided by this room, and another meeting place would have to be provided should the north door of the court house be opened.

Jimmie Holsten Is Home After 2 Years in Europe

1st Lt. Jimmie Holsten returned Wednesday from 2 years in the European Theatre. Lt. Holsten met his son Jimmie, Jr. for the first time.

Wearer of the Silver star and 9 air medals, Lt. Holsten entered France on D-Day as a forward observer with the infantry and later was made an artillery spotter.

Although a member of the Artillery the Lieutenant's experiences have been varied. As physical director of his group in England, he coached a championship football team that won for him commendations from his commanding officers.

Before entering the Army, Lt. Holsten was a member of the faculty of the Amarillo Public Schools.

He will receive his discharge at the end of this terminal furlough.

Workers of Red Cross Thanked

Following is a letter to Mrs. George Melton, Chairman of Camp and Hospital Council of Randall County Chapter of Red Cross:

Dear Mrs. Melton:

We certainly do appreciate all the delicious cookies which your chapter has continued to send us during the month of August. We know how difficult it is to secure sugar, and we marvel that you are still able to send us so many cookies.

We thought you might be interested to know that the evacuees who come through our hospital have commented on the excellence of Randall County home made cookies.

We appreciate very deeply the interest that you have always shown in our program, and we are looking forward to the October meeting where we will make plans for Christmas.

Yours very truly,
Dewey C. Mosshart,
Field Director.
By Miss Agnes Ullman,
Assistant Field Director,
Regional Hospital.

JACK CAGES HAVE GUESTS

Guests in the Jack Cage home for the past week were John Cage of Dallas. Accompanying Mr. Cage from Dallas were Mrs. C. V. Goodman and her husband. Mrs. Goodman is a cousin to President Harry S. Truman and an aunt of Jack Cage.

Mrs. Lorena Maas, who is the mother of Mrs. Jack Cage, spent the week end in the Cage home. David Earl and Dorothy Eileen Zimlich of Dalhart spent a week visiting the Cages.

Sunday guests at dinner with the Cages were Mr. and Mrs. M. E. Shea and children of Amarillo and Mr. and Mrs. Raymond Kimbell of Wildorado.

GERALD WARWICK PROMOTED

Gerald Warwick has been promoted to Aviation Machinist Mate Second Class. He has been in the navy for almost three years and is stationed at San Diego where he works on airplanes.

His wife and baby are with him, living at San Ysidro.

RANDALL COUNTY SINGERS

Randall County Singing Association will meet Sunday afternoon, Sept. 16, in the auditorium of the Education Building of West Texas State College at 3:00 o'clock.

All those interested are cordially invited to come.

BUYS ROBBINS HOME

Patsy Britain has bought the home of the late Mrs. Bessie Robbins. Ray Robbins moved the furniture to Pampa Saturday and gave possession of the home.

Office of Old Age Assistance Must Be Moved

Otto Samuelson has bought the building where the Old Age Assistance office is located. Mr. Samuelson will soon open an automobile agency.

Judge A. H. Hunt says that the Commissioners Court has been looking in vain for a new location for Old Age Assistance, but so far has not been successful in its attempt.

Mr. Samuelson wants possession of the building; the State Welfare Department imposes strict regulations as to the type of office and location of the same, which must be met by the county. The county is required to furnish the office free to the Welfare department.

So far the situation has not been solved.

Canyon Eagles Opened Football Practice Monday

After three years of waiting for a football coach, the Canyon Eagles came out for practice Monday afternoon. R. D. Wheelock is coach and the boys seemed enthusiastic and willing to learn. Coach Milton Sanders had given the boys experience in Spring practice last April.

Coach Wheelock came to the Eagles after three years at Pantex. Previous to that he was coach at Thalia, Texas and was assistant coach at Silverton and then at Plainview. He played football in high school and four years in college. His junior and senior years of college work were done at West Texas State where he took the B. S. Degree in 1936. Coach Wheelock is also experienced in basketball, track, and physical education.

For their first game, the Eagles will tangle with the Dimmitt Bobcats in Canyon on October 5.

Cpl. Parker Is Serving Postal Section of Army

A Ninth Air Force Service Command Unit in Germany.—Cpl. Henry M. Parker, 21, 1902 Eighth Avenue, Canyon, is one of the non-commissioned officers in the postal section of this air force unit which prior to V-E Day flew over 8,000 tons of war material to front line landing fields on the now inactive European front.

Cpl. Parker's mother, Mrs. H. M. Parker, resides in Canyon. The soldier has been in the armed service since October 20, 1942, and in the European theater of operations approximately 17 months.

Cpl. Parker is a graduate of Canyon high school and attended West Texas State College. A brother, Technical Sergeant A. D. Parker, is also in the U. S. Army.

Sgt. Whitman Has Been Promoted

Special to Canyon News: An Advanced China Airbase: Phillip M. Whitman, whose wife and mother reside at 1706 1st Avenue, has recently been promoted to the grade of Sergeant. Sgt. Whitman is serving with the "Thunder-Dragons" Group of Randall's Raiders, a 14th Air Force Fighter Wing.

Sgt. Whitman has completed 7 months of overseas service and has been authorized the Asiatic-Pacific Ribbon with one bronze star. He is a graduate of Canyon high school and prior to his induction in April 1941 was employed by the West Texas State College.

Lt. Standley Is Home Discharged

Lt. Fred M. Standley arrived home Monday with his discharge.

Lt. Standley, son of Mr. and Mrs. F. M. Standley, has been in the service 2½ years and in England for 17 months.

PAUL E. FOSTER DISCHARGED

Lt. Paul E. Foster, Jr. has been discharged from the Army Air Corps. He and his bride spent the week end at the home of his grandparents, Mr. and Mrs. G. G. Foster.

They are moving to Hereford where Paul will engage in farming and the oil business.

Paul was shot down over Germany and was a prisoner of war for several months. He says that he has no desire to own an airplane, now that the war is over.

MISS BREWER IN NEW YORK

Miss Marcella Brewer, sister of Mrs. Lee Foster, is in New York City from where she will go to Macon, Ga., for her new work. Miss Brewer is to be staff assistant in the U. S. O. Division of Y. W. C. A. work, stationed at Camp Warner Roberts.

Miss Brewer is a graduate of West Texas State and has taught school for the past several years, teaching in Dalhart, Shamrock, Roswell, N. M., and Amarillo.

Public School Opens Tuesday

Faculty Members for the Coming Year are Announced By Supt. J. B. Speer

Registration of students in the Canyon Public Schools will begin on Tuesday, September 18 at 9 o'clock. The buses will run for the first time on Tuesday and will return home at 1 o'clock that day. All students will enroll on Tuesday.

The first faculty meeting will be on Monday, September 17 at 10 o'clock and that day will be used to make plans for registration.

The faculty for this year is as follows: Grade School: Miss Elva Fronabarger, principal; Mrs. Robert Orton, first grade; Mrs. W. T. Collins, first grade; Mrs. Stella Murrell, second grade; Mrs. Roscoe Davis, second grade; Mrs. A. K. Goodman, third grade; Mrs. Houston P. Doughty, third grade; Mrs. L. M. Cousins, fourth grade; Mrs. Hazel Atchley, music; Mrs. Mitchell Jones, reading and spelling 5th and 6th grades; Mrs. John Davis, arithmetic in 5th and 6th grades; Mrs. Hazel Walsh, English in 5th and 6th grades; Mrs. Tom Brasher fourth grade; Miss Wilma Cupell, social studies 5th and 6th grades.

High School: Tommie J. Cole, principal; Mrs. L. C. Merchant, English; Mrs. Lee Gilmore, English; Mrs. Cecil Simms, arithmetic; Mrs. Gladys Archer, reading and spelling; Mrs. Marjorie Hendrie, commerce; Mrs. Cecil Foote, science; Mrs. Ed Weeks, social studies; Miss Wanda Price, girls' physical education; Mrs. A. K. Knott, mathematics; Mrs. Bernice Bartlett, library; R. D. Wheelock, coach and physical education; Milton Sanders, shop; Thomas L. Devin, agriculture.

Pupils who submitted vaccination certificates last year need not submit them this year. All new students must furnish evidence of vaccination for smallpox and immunization for diphtheria before they will be enrolled. Birth certificates are required of all first grade students.

W. J. Phelps and Lester Smith will drive the buses and J. L. Johnson and I. H. Hollabaugh will be janitors.

It is doubtful if a band director can be secured, however, a search for one will continue. Mr. Devin, the teacher of agriculture, who left us to enter the armed services should be here by Oct. 1. The homemaking position should be filled by next week.

"I am deeply grateful to all teachers, patrons and trustees, who have so faithfully helped keep the schools open during the war. Even though it has been very difficult to maintain high school standards, it is hoped that within another year all standards will again be fully met. We need the full support of every citizen."

The lunchroom will be open for the first meal on Wednesday, 19th. The lunchroom was very worthwhile last year and it is hoped that even better service can be given this year with most rationing off. Mrs. J. H. Lisle is the manager.

Journalism Will Be Resumed W.T.

Instruction in journalism will be resumed at West Texas State College in the 36th long session opening September 18.

Capt. Olin E. Hinkle, for the last 28 months in the Army Air Forces, has returned to the campus to reopen his work as associate professor of journalism and publicity director. He also is sponsor of the Panhandle High School Press Association, which has maintained restricted activity during the war and will now restore its varied program, including an annual convention at West Texas State.

In addition to writing courses, the journalism curriculum will include a class in photography.

College publications — newspaper and yearbook— are without editors and business managers for the first time in many years because of postponement of appointments last spring. Immediate tryouts for these and other positions will be started by Capt. Hinkle. He pointed out that students, including freshmen, have an unusual opportunity to obtain writing experience on college publications this year.

Type High, the college press club, will open its membership to students who demonstrate journalistic ability and dependability.

BELLAHS VACATIONING

Pvt. J. C. Bellah arrived Tuesday from Camp Livingston on furlough to visit in the parental Alfred Bellah home.

Mr. and Mrs. Bellah, Mary Ann, Max, Lt. and Mrs. Bob Bellah and Bobbie and Pvt. J. C. Bellah are vacationing this week in Ruidoso, N. M.

PFC. BOEHNING HOME

Pfc. Leroy Boehning is spending a furlough in the home of his parents, Mr. and Mrs. Walter Boehning, after being in combat in Eu-

Daily Papers Are Still on Ration List

It is time to renew subscriptions to daily newspapers if you wish to continue as a reader for the coming year.

Here is the situation: News print rationing will continue because of the small amount of print paper available for daily papers. This does not affect weekly newspapers.

Starting Oct. 1, bargain rates will be offered on the Amarillo News to old subscribers only. New subscriptions cannot be taken at this time. From Oct. 1 to Dec. 31 renewals will be accepted at $10.00 per year. The regular rate is $12.00 per year and this rate will be resumed on Jan. 1.

Subscribers are advised to send or bring their checks to the Canyon News for renewals of both the Canyon and Amarillo News at once. The rate for the two papers is $11.50 per year. While the Canyon News may accept new subscriptions, this rate applies to only renewals on the Amarilio News.

Subscribers who neglect to make their renewals will be cut off the list of the Amarillo daily and cannot take the paper again until rationing of paper is over.

Church Gives $1,000 Chapel

Dr. J. A. Hill Receives Another $1,000 Gift From First Christian Church

The second $1,000 donation in a week to the Chapel building fund was received by Dr. J. A. Hill, president of West Texas State.

This donation comes from members of the First Christian Church of Canyon. The donation was made under direction of the members of the church, with Mayor W. A. Warren, Dr. D. A. Shirley and Rev. Joe Findley taking the lead in raising the fund.

Other churches of Canyon are being asked to make congregational donations. Dr. Hill states that individual members of Canyon churches may have their donations credited to the church donation if they so desire.

This is the first church in Canyon which has assumed a definite amount as its goal toward the building.

The building fund is progressing fine, according to Dr. Hill, who has devoted much of his time this summer to the financial campaign for the chapel.

Calvin Sanders Home from Europe

T-5 Calvin Sanders and his bride arrived at the parental M. C. Sanders home Sunday morning.

Calvin has been serving in the European theater for the past 14 months. He was on board ship and two days out headed for the Pacific when the Japanese folded. His ship received instructions to report to its home base, which was New York. From New York he was flown to California from where he had been inducted. While in California he married and brought his bride home.

After 15 days here he will report back to California then to Camp Hood where his group will be reunited for reassignment. He lacks points to receive a discharge, he thinks, but hopes that they will be lowered.

"My first sight of United States as I returned was the grandest sight I ever beheld. Give me America for now and always." Those are the ideas that he stresses frequently in his talking of his experiences.

Robertson Wins Army Award

T-5 Herman C. Robertson, of Canyon, has been awarded the Army Good Conduct Medal at the Tank Destroyer Replacement Training Center, North Camp, Camp Hood, Texas. A Good Conduct Ribbon, red with three narrow white bands at either end, is usually worn instead of the medal. The Good Conduct Medal is given, on recommendation of unit commanders, to those enlisted men who have demonstrated exemplary behavior, efficiency and fidelity in the performance of their duties.

CHARLES HILLIER PROMOTED

Signalman 3rd class Charles Hillier has just been promoted to that rank according to word received by his parents, Mr. and Mrs. R. C. Hillier.

In the same letter Charles tells of having met with J. Ray Hunter who was a passenger on board the ship where Charles is assigned. He says that when announcement was made of surrender of Japan he was on board painting the ship a dull gray color instead of painting the town red with the other sailors who were on shore leave.

GOES AFTER DISCHARGE

Lt. Bob Ziegler was home over the week end. He returned to San Antonio Monday where he expects to receive his discharge this week.

Lt. Ziegler has been in the Army Air Corps for three years, and was in a combat unit over Germany for 10 months.

Schools Ask For Increase Taxes

Voters of Canyon Independent School District to Vote on Tax Raise Sept. 22

Trustees of the Canyon Independent School District have called a special election on September 22 for the purpose of submitting to the voters of the district the proposal to increase the tax rate for the district. The trustees present the following statements for the benefit of the voters:

The school tax limit is now $1.00 per $100.00 valuation and this election is to allow the tax rate to be not more than $1.50 per $100.00 valuation.

Until recently the maximum tax levy for school purposes was set by law at $1.00 per $100.00. The last legislatiture passed a law permitting school districts to raise that maximum rate to $1.50. The school board has decided that Canyon should take this step. However, the Board will not raise the tax rate to $1.50 unless an emergency arises. All that the Board wants is enough money to keep up the buildings and to maintain a first class school.

The school board faces the alternatives of either raising valuations or increasing the tax rate. After due deliberation and thought the board decided that the most logical procedure would be to raise the tax rate as many other schools are doing over Texas.

Valuations in this district have been held to pre-war valuations for taxes for school purposes during the war. This has been possible because: 1. Some teachers were not available and these positions were not filled; 2. Teachers' salaries here have been raised as much as possible under conditions; 3. Building repairs have been halted due to lack of labor and materials.

The board now faces the problems of: 1. Replacing two roofs; 2. Repairing the heating plant; and 3. Filling positions such as music teacher, high school principal, vocational agriculture teacher, band director, and physical education teacher and coach for boys.

Building needs are: 1. Lunchroom; and 2. Building for band and shop mechanics.

By increasing or lowering the tax rate from year to year after valuations are equalized the school board could so guard its expenses as to make the necessary repairs, build new buildings without voting a bond issue, and make salary adjustments as needed.

The increase in taxes will cost the average tax payer only a few nickels; the good it can do cannot be estimated or reduced to the language of nickels.

The Canyon schools have long been among the best schools of the State. We must keep pace with the times. Every tax payer should vote.

DuBois Walker Helps in Keeping Ships in Service

At an Amphibious Base in the Pacific.—William DuBois Walker, Jr., seaman first class, 900 West 7th Canyon, is serving with this repair and training base which supplied troops and landing craft for major invasion in the Marshalls, the Gilberts and at Okinawa.

Carrying a 24-hour, seven-day-week schedule, his unit maintained all types of landing and assault equipment and repair supplies. The base also trained personnel in amphibious communications, minesweeping and camouflage operations.

Chas. F. Marshall Gets Commission

2nd Lt. Charles F. Marshall, son of Mr. and Mrs. Fred Marshall, received his commission, Monday, September 3, at Hondo Army Air Field, Hondo, Texas.

Lt. Marshall has just completed a highly technical 36-week B-29 Flight Engineer course and is commissioned as a Flight Engineer.

ROWAN FAMILY HAS PICNIC

Members of the Rowan family enjoyed a picnic supper in the beautiful back yard of Dr. and Mrs. L. J. Vick in Amarillo, Friday evening.

Those present were: Mr. and Mrs. J. H. Rowan of Decatur; J. H. Rowan and daughter, Mable; Mrs. G. S. Ballard and daughters, Viola, and Mrs. Hubert Bandy, and Mrs. W. R. Ballard all of Amarillo; Mr. and Mrs. Guy Ballard of San Antonio; Mrs. Annie Evans of Tulia and daughter, Mrs. Grant Ford of San Francisco; Mr. and Mrs. J. C. Dowd and daughter, Martha Jean, of Canyon; and three guests, Dr. and Mrs. Bob Vick of Amarillo and Miss Frankie Phillips of Canyon.

PODZEMNY DISCHARGED

Edgar C. Podzemny, Pfc., was discharged from the Army August 22, 1945 at Hammond General Hospital, Modesto, Calif. He was in Co. A, 317 Infantry. He has the Purple Heart, European, African and Middle Eastern Service Medal. At the present he is making his home with his parents south of Bushland.

Mrs. Alma Fuller and daughter Kay, have returned to Dallas after spending the summer in the parental J. T. Sykes home.

Editorials

At this time it is hard to love your neighbors. Frankly we have no love for the Nazis. We hate the Japs. Maybe that is not following the dictates of the Good Book, but we are just too human to be so divine as to turn the other cheek in times like these. The story of atrocities which came out of Germany were terrible; almost too terrible to believe. But those stories are not to be compared with the atrocities which have been imposed on our soldiers and civilians by the Japs. Yet back of the story coming out of Germany, we learn that the Nazis treated American prisoners just a little better than they treated the war prisoners from other nations. The Germans were as brutal to other prisoners as the Japs. The Japs seemed to have taken delight in the brutal and uncalled for punishment and treatment of American prisoners. That is probably due to the fact that the Japs were trying to make examples of the whites for the benefit of the yellow races of Asia. Those who were guilty will be punished, but the punishment will be legal and not so savage as the atrocities which were imposed by the Japs on our prisoners of war. General MacArthur can be trusted to use diplomatic measures which will impress other Asiatics that Americans are not beasts like the Japs attempted to picture us.

The News stated last week that we believed most of this "unemployment" cry comes from government employees who were afraid of losing their jobs. They were fearful that they would have to get out and go to work. This fact is being revealed in various investigations which are being made. A business man told us the other day that he had been approached by a dozen or more men who had been working at a munition plant. When told what they would have to do, and what the wages were, they went on. They were looking for more money and less work. These are listed as unemployed by these government agents. They are drawing $25 per week from Uncle Sam for not working. President Truman advocates that we shall still continue paying them $25 per week for 26 weeks. The question is, just how much longer will they continue walking the streets looking for soft jobs at high wages when Uncle Sam quits doling out $25 per week for idleness?

Our legislative friend, Judge Sarah Hughes of Dallas is a candidate for Congress. She will oppose Hatton Sumners from Dallas county next year. She jumps right on the radical bandwagon, and picks up all the issues which have been endorsed by CIO and the other disturbing elements of Dallas. We don't know about the feeling in Dallas, but several other candidates have tried to oust Sumners, much to their disappointment. He is not a left-winger by any means. While in the legislature, Judge Hughes was a fighter from the word go. She was not afraid to tackle unpopular bills, and stood for the things which she believed were right, regardless of public opinion. This will be a race in which all Texas will be interested.

The public demands that Congress air the events leading up to the tragedy of Pearl Harbor. Accusations have been scattered around in Washington. The President says that all Americans are to blame. We think that he is making a mistake in this declaration. The people were more alarmed over war than the armed services, or even Congress. Some one slipped in his official duty, and everyone who was responsible should be exposed. It was not a mere mistake of judgment. Too many lives and too much money were involved in that tragedy. Congress should bare the whole affair, and let the axe fall on the neck which was responsible.

Selling surplus war goods is a real problem. Some folks think the government should give the stuff to them. Others want it equally distributed, while there are some who would hog it up for resale at a big profit. The war plants will probably not bring 10 cents on the dollar, and will largely go to big industrial plants. Just who could use a 100 million dollar plant, excepting the big fellows?

England has sent her top diplomat over to try to persuade President Truman that he was wrong in ending lend-lease. The plea will be made that England is not yet in position to terminate this agreement. It will be proposed that England pay for what she gets—sometime—maybe. As a matter of fact, England has proved a very poor credit risk. Truman knows this. We were never able to collect on lend-lease for World War I. We have been forced to pay cash for the use of Suez Canal, and to pay an exhorbitant rate for the transport of our soldiers back home from Europe. We guess that England believes that she has right to rifle the pockets of Uncle Sam as long as there is anything left. That is the way she has treated her colonies—and the reason that America revolted and whipped England in 1776.

The honeymoon is definitely over. President Truman has stirred up a hornet's nest in Congress in his 16,000 word message. Most of his suggestions are sane, but he presents controversial problems which make political thunder. The Republicans are carefully going after the Truman message with the view of winning a majority in Congress in 1946, which would be the prelude of winning the Presidency in 1948. A few years ago good Democrats predicted that GOP was so deeply buried that it would never dig out. But back comes the party, seemingly getting stronger year by year. After all, safety in government is based upon the two-party system. Texas would be better off if this were a two-party state instead of being under the control of one party.

A constitutional amendment will be submitted in Congress to limit the term of office for President to one six-year term. Arguments are being presented by the opponents. The nation would not have had Wilson and Roosevelt during tragic periods of the nation's history is the chief arguments being put forth. Frankly, America is bigger than any one man who might be President at any one time. Naturally we prefer to think that the nation would have suffered a serious blow had Wilson and Roosevelt not have served so long as President. On the other hand, the nation did suffer as a result of Harding ever having been elected President. Perhaps the good offsets the evil, and maybe the limited term of six years might prove to be a good thing for the nation.

General MacArthur has established headquarters in Tokyo without incident. That is rather surprising. All Americans have been holding their breath fearful that the fanatical Japs would break loose against our troops and wipe out large numbers of them. It is evident that MacArthur knows the Jap mind pretty well. He left them their Son-of-Heaven, regardless of whose son we may think he is. So far the Emperor has played the game fairly. We hate to think of American boys having to police Japan for years to come, but that seems to be the only way out. Judging from the words of groups of Japs, they are not yet whipped, but it begins to look that the Emperor really got all that he could stand.

Congress is going to investigate all phases of lend-lease. It seems that social reformers got their mits on lend-lease money. As a result they have taken underclothes from American people to ship to the natives who have never worn clothing; and have shipped millions of cases of toilet paper to lands where the natives tried to use the stuff for stationery. Congress is gradually uncovering a lot of misappropriation of public funds which our social reformers have attempted to put over on natives of various lands—at the expense of Uncle Sam, the poor sucker.

Congressman Hatton Sumners comes forth with an idea which we believe is sound. Instead of requiring a two-thirds majority to override a veto of the President, he proposes that a majority would be sufficient. Another idea is becoming more and more popular: That treaties shall be ratified by a majority of both houses of Congress rather than by two-thirds of the Senate. While our federal government is sound and has stood the test of critical times, this is no reason to argue that improvements are impossible. In spite of all the crack brains which are turned loose on the public, we still think that a majority of our people are safe and that the public can be trusted when they are correctly informed on issues. That's the reason for a free press.

Senator Arthur Vandenburg stated the other day that he was opposed to turning the secret of the atomic bomb over to the security council of the United Nations at the present time. We certainly agree with this position. And did you see where the Japs insist that we tell them all about the atomic bomb? The answer is, they saw what it would do, and we have a good supply ready for use against them unless they continue to be good.

Its great to be alive today. In spite of the mess in which we find conditions throughout the world, all of us like to spout off and give our ideas as to just how the whole affair could be cleaned up. The privilege to stand up and say your say is what makes America great. As a youth we had cock-sure answers to all the questions; today we are uncertain. But it is great to have a humble part as a citizen of the greatest nation in the world.

Congress is finding out about our American boys. When there was a war to fight, the boys were ready to get in the fight and do their part. But the fight is now over. These same boys do not want to waste their time around army camps. They want to go home, and members of Congress are being told what the boys want.

By September 30 we are promised the restoration of normal time. This daylight saving device will be terminated by act of Congress. We certainy hope that another emergency shall never occur when the tinkerers of Washington will try to upset the laws of nature in any effort to kid the people into saving something which they cannot do.

The President has advised Congress to raise the salaries of all members to $20,000 per year. With the trimmings which are added by mutual agreement, this would bring the salaries up to around $25,000. The people are amazed at this suggestion of an economy minded man like Truman.

Don't throw your tongue into high gear until you get your brain in motion.

BUY MORE VICTORY BONDS!

"Have you been here a long time?" a visitor asked a gray-haired settler in the Panhandle. He replied, "A right smart while; when I first come here, the moon was no bigger than a half dollar and there was only six stars."

Similar is the declaration of a Central Texas pioneer, "When I settled in this county, there was only one other man livin' in 30 miles and that big hill over yonder was a buffalo wallow."

And speaking of elevations, have you ever seen Santa Anna Mountain? It was a landmark of early days. Really, it is two mountains, there being a gap. Citizens explain that the town's original settler hauled in the dirt to build the mountain and he would have connected it up but his wagon broke down.

These are from a new book, "Texas—Proud and Loud," by your columnist.

A few more samples from the book:

Of a ranchman whose holdings spread over a half dozen counties, it was said, "He's no land hog; all the land he wants is just what joins his."

An old-timer burned whole mesquite trees in the big fireplace and, as the ends burned off, he kept moving the trees on into the flames. He explained, "It saves the old woman a lot of choppin'."

Texas is so vast that, in early days when travel was primitive, there was one instance of a baby that was born in Texarkana and, by the time the covered wagon reached El Paso, he was rolling his own cigarets.

And the famous description of the gigantic Texas Steer caused a Missourian to declare, "If all our Missouri mules were made into one, he could rub his ears against the North Pole, with his forefeet on the Aleutians and Iceland, one hind foot on Havana and the other on Panama; and, if he got riled, he could kick South America 73 miles beyond the South Pole; his heehaw could make a California earthquake sound like the rumble of one of Henry Ford's old puddle-jumpers; and, if he was properly hitched, he could pull Texas into the Republican Party!"

Russia is the largest country in the world.

Notes From The County H. D. Agent

When sending food to the service man it is best to send a variety of things unless he has asked for some specific food. Some women plan a menu on this order: 1 can fried chicken or turkey, 1 cranberry sauce, 1 nuts, 1 plum pudding. Many requests come in for fried chicken, and the boys yearn for a whole egg, so recipes for canning fried chicken and pickled eggs are included this week.

Fried Chicken

Cut the pieces of chicken as for frying. Leave bone in. Do not roll in flour. Sear the pieces until slightly brown. Pack while hot in plain cans. Place cans without lids in pressure canner which has about 3 inches boiling water. Fasten lid, but leave cock open. Steam 30 minutes. Seal and process at 17 pounds pressure. No. 1 cans, 40 monutes; No. 2 cans, 50 minutes; No. 3 cans 75 minutes.

Pickled Eggs

Hard cook as many eggs as you wish to pickle. Shell. Have ready a boiling solution of 1½ cups white vinegar, 2 cups water, 1 teaspoon salt, a spice bag containing a few bits of broken nutmeg, a few blades of mace, celery seed, some ground mustard, a few whole cloves, and a piece of cinnamon. In fact, add spice to your own taste.

When boiling hot drop in the shelled eggs, just let them heat through and pack at once in sterilized jars and seal. Enamel cans are used to send eggs overseas or if they are to be used in 2 or 3 months.

An old gentleman was fussing around in the dark on the floor of a nearby theatre. Finally a lady near him asked him what he had lost."

"A chocolate caramel," replied the old gentleman.

"All that fuss over a piece of candy?" said the lady, in a disgusted tone.

"Yes," said the old gentleman. "My teeth are in it."

D D T Is Poison and Must Be Used With Great Care

AUSTIN: Good news for the thousands of families in Texas, is the information that DDT, the almost miraculous insecticide developed during the war, is now available for civilian use, and if not already on the market in every community, the time is approaching when it may be purchased wherever insecticides are sold.

Formerly restricted to military use for the suppression and control of malaria and other insect-borne diseases among the armed forces at home and abroad, civilians have awaited with interest the opportunity to use DDT in homes and business buildings, to rid them of flies, fleas, roaches and other common pests.

"If every householder in the State will spray his home and out buildings with DDT," Dr. Geo. W. Cox, State Health Officer declared recently," "there is a definite possibility to bring the incidence of insect-borne diseases down to an absolute minimum. Such insects as fleas, lice, flies, mosquitoes, and roaches have been recognized as vectors of diseases for many years, but heretofore there has been no satisfactory method whereby they could all be controlled by a single poison. That is why DDT is referred to as a 'miracle insecticide'. It is as fatal to one of these pests as to another, and homes, business buildings, outhouses and premises can be rid of such insects through the use of DDT."

Dr. Cox urges that in communities where DDT is already available, every home and every business building be sprayed, as well as outbuildings, privies, and the outside surfaces of close garbage cans. Even though garbage containers are kept closed, flies are sometimes attracted by the smell of food, and if they alight on a surface that has been treated with DDT, they are killed.

The State Health Officer advises that persons living in communities where DDT is not yet on the market should keep in touch with their local dealers so that as soon as it is received, they can use it in their homes. It is inexpensive and affords one of the cheapest and most certain of all health protections, costing only a few cents for a quantity sufficient to spray the ordinary home thoroughly.

However, it should be remembered that D D T is a deadly poison, according to its manufacturers, and that all who use it must know what they are doing when they use the poison.

Drivers Should Check License or May Be in Trouble

AUSTIN: Better check up on your drivers license. Under the impetus of mounting traffic fatalities, the Department of Public Safety is about to begin a vigorous enforcement campaign against unlicensed drivers, Director Homer Garrison said today.

"This isn't a red tape or revenue proposition," Garrison said. "We are trying to keep people from being maimed and killed.

Estimating that Texas now has 250,000 drivers who either have no licenses or whose licenses have expired, Garrison said:

"The deliberately evasive person is likely to be dangerous, either because of known incompetence or, in the case of many new residents and new drivers, ignorance of Texas safety rules.

"Of those who have expired licenses, probably a considerable number have developed defects or attitudes, or records of traffic violation and accident, that give them cause to fear examination.

"Of course most delinquents are merely lazy or negligent.

"But whatever the reason, the impressive facts remains that 15 per cent of drivers cause 85 per cent of collisions, and unlicensed drivers figure in more than a proportionate share of them. As traffic volume and fatalities continue to increase, the citizen's obligation to comply with regulatory measures likewise increases. We are headed for a toll of ten lives lost daily to traffic in Tevas, and it will require drastic action to hold the figure that low when post-war traffic gets into full swing."

Dr. R. Thomsen of Amarillo served the longest tenure of any Presbyterian pastor in Texas—35 years.

A man dropped his wig in the street and a boy picked it up and handed it to him.

"Thanks, my boy," said the owner of the wig. "You are the first genuine hair restorer I have ever seen."

Salesman: "I've had singing noises in my ears off and on all day."

"Wife: "No wonder. You left your sample case at home this morning and took along the portable radio set."

Nell Stevenson Is Bride of Cpl. Fred Jennings, Jr.

Mr. and Mrs. T. S. Stevenson of Canyon, announce the recent marriage of their daughter, Nell, to Cpl. Fred Jennings, Jr., son of Mr. and Mrs. Fred Jennings of Washington, D. C. Marriage vows were spoken in the Post Chapel at Luke Field, Arizona, where the bridegroom is stationed with the Army Air Forces. Chaplain John C. Owen officiated at the double ring ceremony.

For her wedding costume, the bride wore an aqua blue gabardine suit, with bronze accessories. Her corsage was a bronze orchid. Attending the bride as maid of honor, was Miss Frances Thompson of the Las Vegas Ranch, Prescott, Arizona, who was dressed in a gold gabardine suit, with brown accessories. Her corsage was of gardenias and delphiniums. Cpl. Malcolm Baty, of Buffalo, New York, attended the bridegroom as best man. Following the ceremony, the couple left on a short wedding trip to Northern Arizona.

Mrs. Jennings graduated from West Texas State in 1941, and was a member of the Women's Airforce Service Pilots for 19 months. She was discharged last December. She is now associated with radio station KTAR in Phoenix, as a script-writer.

Cpl. Jennings is a graduate of the University of Maryland at College Park, Maryland, where he was a member of Delta Sigma Phi fraternity. He enlisted in the Army Air Forces at the beginning of the war and was a member of the old 19th Bombardment Group. Before going overseas, he served as crew member on the General Staff planes for the War Department, flying out of Bolling Field, Washington, D. C.

The couple will make their home in Phoenix, Arizona.

Mr. and Mrs. Roy Holland and daughter returned Monday from Pleasenton where they attended a family reunion of Mr. Holland's two brothers and one sister.

MOTHER-IN-LAW CLUB PLANS FOR NEW YEAR

The Mother-in-Law Club met on Thursday, September 6 at Thompson's Club room at 3:00 o'clock with Mrs. R. D. Lowry as hostess.

Since this was the first meeting for the new club year, the club chairman, Mrs. Lowry, brought before the club members some new and different ideas to be carried out this year.

However, motion was made and carried that the club continue to pay the Red Cross $1.00 per month, as the club has done for several years; and that the club continue to meet the first Thursday in each month, promptly at 3:00 o'clock.

In the absence of the program chairman, Mrs. Lowry presided. Members present enjoyed musical numbers by Mrs. Langston, a reading by Mrs. Lowry and a story told by Mrs. Jessie Reid of her trip into the Eastern part of the United States in 1943 and 1944.

Refreshments of fresh peaches and angel food cake were served to the following: Mrs. Lucille Davault, Mrs. T. S. Trowbridge, Mrs. E. B. Anthony, Mrs. M. E. Sorgee, Mrs. B. B. Cluck, Mrs. T. W. Langston, Mrs. Dan Higgins, Mrs. Mary Burtz, Mrs. W. I. Wester, Mrs. Jessie Reid, Mrs. E. C. Penick, Mrs. I. M. Steen, Mrs. Otto White, Mrs. Fred Marshall and the hostess.

JACK BEALE BAKER IS HONORED ON BIRTHDAY

Mrs. T. Jack Baker of Wildorado honored her son, Jack Beale, on his first birthday with a party at his home last Wednesday evening at three o'clock.

Games were played and refreshments of punch and cake were served. The house was decorated throughout with garden flowers. Mary Green served the cake and Dorothy Mae Roark poured from a crystal bowl. Mrs. Jack Cage helped with the serving.

Guests present were: Masters Thomas William Cage, John Louis and Billy Shea of Amarillo; Harold Golden of Dimmitt; Don Jones and Gary McDade of Wildorado; Misses Myrna Lynn Shea of Amarillo; Linda Jones, Mary Green, Rhenda Ann Fuqua, and Dorothy Mae Roark of Wildorado; and Annetta Cage; Mesdames Jack Cage, and M. Wedding of Thos. S. Gerald, Jr. Is Announced

Mr. and Mrs. John W. Shideler announce the marriage of their daughter, Helen Margaret, to Mr. Thomas Sumpter Gerald, Jr., USNR, son of Mr. and Mrs. T. S. Gerald, of Canyon, Texas.

The wedding took place at 7:30 o'clock Thursday evening at the Lowman Memorial Methodist Church with the Rev. Frank H. Ebright officiating. Candelabra and baskets filled with white gladioli and asters decorated the altar.

Mrs. George B. Harper, organist, played "Gothic Prayer" by Boellman, "Clair de Lune" by DeBussy, "Liebestraum" by Liszt, and "Calm as the Night" by Bohm, and during the lighting of the candles she played "Ave Maria" by Gounod, and during the taking of the vows, "O Perfect Love." Miss Betty Lou Wells sang "Ich Liebe Dich" by Grieg and "The Lord's Prayer" by Malotte for the benediction hymn.

The bride wore a gown of white taffeta with a net overskirt and a peplem which rippled into a cascade of ruffles forming a train. The same ruffles finished the V neckline and the sleeves were long, forming points over the hands. Her finger-tip length net veil fell from a halo of the net, and she carried a small Bible topped with a glamelia.

Miss Gertrude Shideler attended her sister as maid of honor. She wore a dress, fashioned similar to the bride's, of pink taffeta and marquisette. Her short veil fell from a circle of the net and she wore white gloves and carried a bouquet of lavender asters.

The candles were lighted by the bride's sister-in-law and niece, Mrs. John W. Shideler, Jr., and little daughter, Sally, who wore mother-daughter dresses similar to the maid of honor's of blue marquisette over blue taffeta. They wore Talisman roses in their hair.

Mr. Wallace Black, of El Paso, Texas attended the bridegroom as best man. The ushers were Mr. Homer Evans and Mr. Homer Evans, Jr., uncle and cousin of the bride.

A reception was given for members of the immediate family and a few friends of the couple at the bride's home following the wedding. The table was laid with a lace cloth with a centerpiece of gladioli and asters and the wedding cake. Those assisting were: Mrs. M. W. Callen, Pittsburg; Miss Regina Houston and Miss Martha Ann Isaacs, of Iowa City, Iowa; Miss Charlotte Jeffrey, Grinnell, Iowa; Mrs. Lloyd Upchurch and Miss Barbara Magill.

Mr. Gerald and his bride will go to Houston, Texas, where Mr. Gerald will be graduated Monday from the University of Texas School of Dentistry and will receive a commission of Lieutenant (jg). From there they will go to San Diego, Calif., where he will be stationed at the Naval Repair Base. For traveling the bride wore a light-weight wool dress in green with multi-colored yarn flowers on the belt, brown accessories and a glamelia corsage.

The bride is a graduate of Washburn University and a member of Alpha Phi, Sigma Alpha Iota and Nonoso. She is a talented violinist and is prominent in music circles. She taught music for four years in Iowa City, and for the past three summers has been student and counsellor at the National Music Camp in Interlochen, Mich. Last winter, she and her sister, who plays the cello were members of the Houston Symphony Orchestra.

Mr. Gerald is a graduate of the West Texas State College at Canyon and is a member of Xi Psi Phi, professional dental fraternity.

Other out-of-town guests at the wedding were: Mrs. Ralph Shideler and Carol Ann, of Gerard and Mrs. Don Wheeler, of Kansas City.—Topeka (Kan.) Daily Capital, September 7.

ZITA 4-H GIRLS MAKE CUP TOWELS WITH MARIE ROSE

Last week the Zita 4-H Girls met at the home of Miss Carol Marie Rose where they studied making cup towels.

A visitor was Corinna Maloney.

Refreshments were served to Jane Hales, Martha Hales, Ruby Hales, Flora Jane Rose, Corinna Maloney, Carol Marie Rose and Mrs. Forrest Gruner.

The next meeting will be at the home of Martha Hales.

TALLY TO TULIA

Mrs. E. F. Tally, who taught expression and personality singing last year, will have classes again this year. All pupils who are interested are requested to register in the music room of the grade school building Tuesday, September 18.

Mr. Tally is principal of the high school at Tulia this year. Mrs. Tally will drive to Canyon two days a week for classes.

Pre-Medic Exam Given at W. T.

Premedical examinations for students — including freshmen — who hope eventually to enter medical schools will be given during the fall semester of West Texas State College in cooperation with the American Medical Association.

Passing in such examinations constitutes one of the medical school entrance requirements. The aptitude tests are given by Dr. C. A. Pierle, head of the chemistry department.

Many students have gone to medical schools from West Texas State in recent years to become physicians, and several are now in training.

West Texas State offers the recommended four years of college work which is the foundation for medical school courses. The pre-med students are so guided by Dr. Pierle that they can change their minds without loss of college credits in their changed major subcjets. Offering of pre-med courses is facilitated by a new Science Building.

Baptist Students Plan Year's Work

Robert Kilgore, Director of Baptist Student work at the college in Canyon, announces that a Preschool Retreat will be held for student officers beginning Friday, Sept. 14, and continuing through Monday, Sept. 17. Conferences on various activities will be held and student officers will review their duties for the year. Visiting speakers for the conference include W. F. Howard of Dallas, Texas Baptist Student Secretary, and Rev. M. G. Upton who was chief speaker for the conference last year.

The study and inspirational sessions of this retreat will be held at First Baptist Church and the public is invited to hear any part of it. The social part of the gathering includes picnic suppers at the church and a trip to Palo Duro Canyon with a supper there.

Miss Beulah Hammond, a senior at the college, is the local Baptist Student Union president, which office she is filling for the second year.

Mr. and Mrs. J. Madison Daugherty visited Sunday in the Ted Schuler home at Lorenzo. Others there were T-Sgt. and Mrs. Dan Altman and Judy of Post, Mr. and Mrs. Homer McCrerey and son of Post and Mrs. Carl Stone and son. Sgt. Altman will receive his discharge from the Army about September 15.

Mrs. J. J. Walker, Bill and Dick Morgan, who have spent the summer with her, went to Dalhart Monday. That night the boys left for their home in San Fernando, Calif.

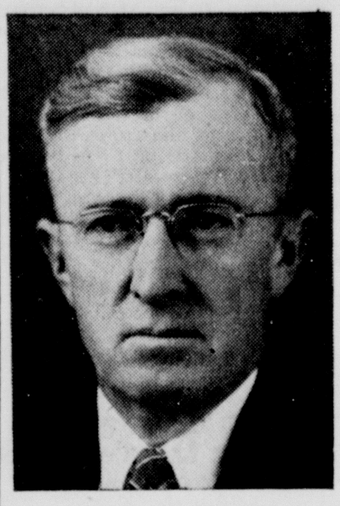
Dr. H. A. Brown returned from San Diego, Calif., the first of the week. Dr. Brown had accompanied his son, Petty Officer, Harry Brown, to his new base from which he is to leave for 2 years' patrol duty.

Mrs. Dan Altman and daughter, Judy of Post, are visiting in the home of her sister, Mrs. Madison Daugherty.

Dr. and Mrs. S. H. Condron and daughter returned this week from Hot Springs, N. M., where they spent their vacation.

Lou Ella Pitt returned Friday from visiting for two weeks in Carlsbad, El Paso, and Juarez.

John Gillis Is Commander of Palo Duro Post



JOHN A. GILLIS
Commander

Palo Duro Post No. 97 held a regular meeting Monday night, Sept. 10. Newly elected officers for the year 1945-1946 were officially installed. They are: John A. Gillis, commander; Ray McReynolds, 1st vice-commander; Guy Tabor, 2nd vice-commander; Glenn Truax, adjutant; Robert Jones, chaplain; Guy Harp, service officer; G. A. Farlow, child welfare; Clarence Thompson, finance officer; L. Mahle, sergeant at arms; A. Stevenson, historian.

A short review of the activities for the past year was given by the retiring commander, Ray Campbell, with thanks being given to all who helped in last year's program.

Then the gavel was handed the incoming commander, John Gillis, who in turn offered a very inspiring program for the coming year. He stressed three points to success: first a good program each meeting night; second, attendance to the meetings by the members; third, but by no means last, gaining new members. War II Veterans are returning every day. Palo Duro Post No. 97 has one of the finest Club houses in the country, which all ex-service men are urged to use.

Now since V-E and V-J Days any service man or woman, whether or not he or she has received a discharge, can join the American Legion.

If any of you home folks wish to present your son or daughter with a 1946 membership card in Palo Duro Post No. 97 now, send a check for $5.00 with the following information: Name, complete address, where enlisted, date, serial number, organization, grade or rank; to the commander or adjutant and the membership card will be mailed to you as soon as it returns from state headquarters.

Mr. and Mrs. J. C. Dowd with their daughter left Monday for Waco, where Martha Jean will enter Baylor University this fall.

Mr. and Mrs. J. H. Rowan of Decatur visited last week with relatives in Amarillo, Canyon and Tulia.

Miss Hellen Hickman has returned from having visited in East Texas and points in Oklahoma.

Mrs. W. G. Rose is spending a month with her mother in Ames, Iowa.

Dora Dean Stallings left Friday for a vacation trip to Long Beach and other points in California.

T. A. Black returned from a business trip to St. Louis Monday Morning.

Clay Cooper, Cecil Briggs and Shiek McDaniel left Monday morning for a fishing trip in Colorado.

M. E. Cleavinger, Jr., of Stratford was a visitor in Canyon Saturday afternoon.

'Hoss' Bledsoe Named Captain Buffalo Herd

West Texas State football captain for the season is Henry H. (Hoss) Bledsoe, senior passer, punter, and signal caller from Seymour, Texas.

Bledsoe, former serviceman, is 25 years old, 6 feet tall, weighs 168 pounds, and is married. He played for Hardin-Simmons University in his freshman and sophomore years and came to West Texas last season, when he was voted most valuable man on a team which won four games and lost three. He intends to become a coach after graduation.

Bledsoe heads a West Texas State squad of more than thirty men which is expected to be powerful in its starting lineup but somewhat weak in reserves, especially at ends and in the back field. The opening game of the season will be played with Eastern New Mexico College of Portales here next Saturday night, September 15.

While the Buffalo line will not average much above 185 pounds, Coaches W. A. (Gus Miller and W. W. (Windy) Nicklaus are greatly encouraged by the aggressiveness of the forwards. While the linesmen will be outweighed in games with opponents such as Baylor, Tulsa, and Texas Tech, the mentors doubt that they will be out-charged.

The fall session of West Texas State will open here Saturday night with the New Mexico Collegians from Portales.

Acting Head of Speech Dept. W. T. Is Named

Appointment of Mrs. Oma Link Rowley of Amarillo as acting head of the Department of Speech for the fall semester of West Texas State College beginning September 18 has been announced by President J. A. Hill

Mrs. Rowley has accepted the temporary position until the return of Major Conrad W. Freed, now in Europe. Dr. Freed is expected to return to this country before the end of the year. After his return, Mrs. Rowley will resume her private classes in Speech in Amarillo.

During the period when the late Miss Mary Morgan Brown was head of the Speech Department, Mrs. Rowley was her assistant for a term here. Mrs. Rowley is a graduate of Trinity University and an enthusiastic follower of legitimate theatrical productions. In addition to interpretation and changing trends in the development of the community theater, she stresses work in stage craft and costuming.

Miss Sybil Gidden, Miss Juanita Anderson, Lewell Johnson, Mr. and Mrs. Richard Gidden spent from Wednesday until Tuesday vacationing in Ruidoso, N. M.

Pfc. Robert Parson left Saturday night for South Carolina then Camp Polk, La., after having spent a 30 day furlough with his wife and daughter.

Mr. and Mrs. R. W. Prichard of Long Beach, Calif., visited last week in the J. T. Sykes home.

NOW FOR THE TELEPHONE JOB AT HOME

The big war telephone job is nearly done. Now we can turn to the big telephone job here at home—the job of reconverting and constructing for peacetime telephone service.

We have a long way to go to catch up with the demand for telephone service. More than 240,000 people are waiting for us to furnish them telephones. Serving them will require millions of dollars' worth of new equipment. Poles must be set. Wires must be strung. Miles of cables must be laid. Switchboards and dial equipment must be made and installed.

Big jobs—complicated jobs—take time. But telephone factories are turning as rapidly as possible from war to peacetime production. Telephone people are eager for the job of putting new equipment to work. And soon, we hope, other skilled telephone men and women will be returning from the armed forces to help with the task.

Some of the 240,000 who are waiting for telephones will get service soon. For others, especially in cities where telephone facilities must be expanded, the wait may still be many months. As new equipment can be installed those who are waiting will be served in their proper order.

You may be sure that all our efforts are aimed at making the wait just as short as possible. We're working as hard to that end as we worked to supply the armed forces with vital communications equipment.

A GREAT NEW GASOLINE

Is Here NOW!

Phillips 66 rushes the "Fuel of the Future" to your neighborhood dealer!

You never knew a gasoline could be like this!

And neither did we till 3 action-packed years of war-production brought new and marvelous advances in gasoline manufacture!

Now all the "know-how"... the special processes that went into the powering of giant bombers is *yours!*

Never mind the technical details—just get a tankful and see what it will *do!*

See if you don't get quicker starts!

See if you don't get more power!

See if you don't get more-miles-per-gallon!

See if your car doesn't act like a two-year-old again when this power-packing, action-getting fuel goes to work in your motor!

ORDER FOR SCHOOL TAX ELECTION

THE STATE OF TEXAS
COUNTY OF RANDALL
CANYON INDEPENDENT SCHOOL DISTRICT

ON THIS, the 6th day of September, 1945, the Board of Trustees of the CANYON INDEPENDENT SCHOOL DISTRICT convened in special session, at the regular meeting place of said Board in said District, with the following members present and in attendance, to-wit:

P. E. Lindsey, Clay Cooper, Ross Craig, J. W. Spencer, L. D. Winn and with the following absent: H. M. Cook, Wilford Taylor, Jr. constituting a quorum; and, among other proceedings had by said Board of Trustees, were the following:

There came on to be considered the petition of S. B. Orton and 34 others, asking that an election be ordered upon the propositions hereinafter stated; and

IT APPEARING to the satisfaction of this Board that said petition is signed by more than twenty (20) resident qualified electors and taxpaying voters of CANYON INDEPENDENT SCHOOL DISTRICT, who own taxable property in said District and who each has rendered the same for taxation, and that such petition is otherwise in conformity with the law, this Board is of the opinion that said petition should be granted, and that said election, as prayed for, should be ordered; therefore,

BE IT ORDERED BY THE BOARD OF TRUSTEES OF THE CANYON INDEPENDENT SCHOOL DISTRICT:

That an election be held in said CANYON INDEPENDENT SCHOOL DISTRICT on the 22 day of September, 1945, which is not less than ten (10) nor more than thirty (30) days from the date of this order, at which election, in accordance with said petition, the following proposition shall be submitted to the resident qualified electors and taxpaying voters of CANYON INDEPENDENT SCHOOL DISTRICT, who each own property in said District and who has duly rendered the same for taxation, for their action thereupon:

"SHALL the Board of Trustees of CANYON INDEPENDENT SCHOOL DISTRICT have the power to levy and collect annually a tax upon all taxable property in said School District for the maintenance of public free schools therein of and at the rate of not exceeding ONE DOLLAR AND FIFTY CENTS ($1.50) on the one hundred dollars valuation of all taxable property in said School District, until the same shall be discontinued as provided by law?"

That said election shall be held at the following place in the CANYON INDEPENDENT SCHOOL DISTRICT, and the following persons are hereby appointed Judges and Clerks, to-wit:

John Guthrie, T. V. Reeves, J. W. Shook, Miss Irene Angel at the CITY HALL, CANYON, TEXAS: For all qualified voters residing in the Canyon Independent School District.

IT IS FURTHER ORDERED that the ballots for said election shall have written or printed thereon the following:

OFFICIAL BALLOT
"FOR MAINTENANCE TAX"
"AGAINST MAINTENANCE TAX."

AS TO the foregoing proposition, each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his or her vote on the proposition.

NONE but resident qualified electors, who own taxable property in the CANYON INDEPENDENT SCHOOL DISTRICT, and who have duly rendered the same for taxation, shall be allowed to vote at said election.

THE SECRETARY of this Board of Trustees shall forthwith issue notice of said election, stating in substance the contents of this election order and the time and place of said election, and said Secretary shall post a copy of such notice in three places in the District for ten (10) days prior to the date fixed for said election. Immediately after said election has been held, the officers holding the same shall make returns of the results thereof to the Board of Trustees of said School District, and return the ballot box to the Secretary of said Board, who shall safely keep the same and deliver them, together with the returns of the election, to the Board of Trustees at its next regular or special meeting.

SAID ELECTION shall be held and conducted as provided by law for general elections, except as modified by Chapter 13, Title 49, of the 1925 Texas Revised Civil Statutes, and amendments thereto; and this Board will furnish all necessary ballots and other election supplies requisite to said election.

The above order having been read in full, it was moved by Ross Craig and seconded by J. W. Spencer that the same be passed. Thereupon the question being called for, the following members of the Board voted Aye: P. E. Lindsey, Clay Cooper, Ross Craig, J. W. Spencer. Nay: L. D. Winn.

PASSED AND APPROVED this the 6th day of September, 1945.

P. E. LINDSEY,
President, Board of Trustees Canyon Independent School District.

ATTEST:
L. D. WINN, Secretary,
Board of Trustees Canyon Independent School District.

Baptist Pastor Begins Sixth Year

Dr. Roy L. Johnson has begun his sixth year in Canyon. During the past five years the church has received into its membership 839 people, and the net gain in membership shows an increase from 645 in 1940 to 886 in 1945. A new high average for the Sunday School was set for the year which ended with August. The gain of 49 over last year brought the new average to 310. Virgil Henson is superintendent of the school.

The church has grown financially during the five year period. Volunteer free-will offerings amounted to $94,858.01. During the year just closed the gifts were more than thirty thousand dollars. The church is debt-free and within a few months will have completed its building which, with equipment, can be valued at $150,000.00. A fund is being accumulated with which a pastor's home is to be built on the corner of Third Avenue and Eighteenth Street.

The growth in missionary interest of the congregation is reflected in the gifts of $6,028.40 for missionary and benevolent work during the year just closed.

The 40th annual session of Tierra Blanca Association, which was organized in Canyon in 1905, is being held at the Baptist church on Wednesday and Thursday of this week.

Committees of the Rotary Club Make Reports Tuesday

Rev. Robert Jones was in charge of the Rotary Club program Tuesday. He is chairman of the Club Service Committee and reports were made by committee chairman under this division.

The following reports were made: Harris M. Cook, classification and membership; Walter Upchurch, program; John W. Shook, fellowship; C. A. Murray, attendance; Clyde Warwick, public information; F. E. Savage, music; Lee Johnson, club publication; G. B. Heath, finance.

Miss Anita Davis, pianist, resigned as she leaves next Monday to attend the University of Indiana.

President Stuart Condron was back from a vacation trip to Hot Springs, N. M. He and Past-Governor Harris Cook attended the Rotary Club at Hot Springs on their vacations.

Visitors were: C. R. Janak, Harry Dill, W. B. Gunn, Ed Broome, all of Amarillo; J. J. Walker and E. C. Hawes of Canyon.

Captain and Mrs. H. L. Stone and son, Tabor Rodger, returned from Clyde, Texas, Monday evening, after having visited with Mrs. Stone's grandmother, Mrs. C. V. Tabor and other relatives since Thursday of last week. Capt. and Mrs. Stone left this morning for a week in the mountains of New Mexico and Colorado. Tabor will visit with his grandparents, the W. E. Stones in Amarillo, while his parents are away.

Mrs. M. E. Cleavinger returned Saturday after having visited relatives in Trinidad, Colo., Goodwell, Okla., and Stratford, Texas.

Mr. and Mrs. Travis Shaw, who have spent the summer in Colorado, returned home Tuesday night.
